

Title: Holy Places & Sacrifices

Text: Hebrews 9:1-14

Scripture Memorization:

Hebrews 9:11 But when Christ appeared as a high priest of the good things that have come, then through the greater and more perfect tent (not made with hands, that is, not of this creation) 12 he entered once for all into the holy places, not by means of the blood of goats and calves but by means of his own blood, thus securing an eternal redemption. 3. **Praise the Lord for the continuous trend of improvement regarding COVID numbers in Michigan.** In response to this and because most residents of this state have received vaccinations, the Executive Board has decided that starting in July, those who have been fully vaccinated can choose for themselves whether or not to wear a mask in church. The other safety measures, such as, taking temperatures, hand washing with disinfectant, and 6-foot social distancing will continue to be practiced. Fellowships or small groups are welcome to use the church to hold meetings, but they are not allowed to provide food indoors for the time being.
4. Praise the Lord for **Preacher David Shao's OPT visa approval.** He will start full-time ministry at CBC on July 1st, as scheduled. He and his family just recently moved to Farmington Hills.
5. **Pastor Cheng** has started approximately six-weeks of **radiotherapy treatment** for prostate cancer. It is estimated to be complete in late June. If you have questions about church ministry during this period, please contact Pastor McCormick or the Elders.

Missions

Titus & Helen Loong ~ World Venture

- ❖ Dr & Mrs. Loong write to encourage us that during these difficult times God is reminding us to look at the new things He is creating. For example, in China, churches are not allowed to re-open, so believers learn to worship online and many are trained to lead small group Bible studies. Please pray for the Christians in China.
- ❖ Rejoice and give thanks that prayer meetings in Hong Kong via Zoom have shown a remarkable increase in attendance, and missionaries who are forced to remain in Hong Kong for an extended time have found great opportunities to witness to their target groups such as Indonesians, Thais, or Japanese.
- ❖ One focus of the Loongs' ministry has been teaching Missionary Care. Recently Dr. Loong was asked to videotape his talks. Please join with them in praying for missionary families that God has put on your heart. Pray for protection, God's provision, harmony with locals, spiritual and physical strength, God's special care for singles, couples to grow in their marriage, and children of missionaries.
