

教會大家庭

1. 求神敦促我們回應神的呼召，辨認祂的託付，按各人的恩賜事奉主。求神鼓勵合適的肢體參與本月開始舉辦的敬拜事工培訓，投身於教會崇拜中各層面的事工，各盡其職，同心協力建立教會用心靈、按真理的敬拜。
2. 為密西根州新冠病毒的疫情有好轉感恩，求神施恩看顧被確診的病人，並保守一線醫務人員身、心、靈的健康。求神促使居民願意迅速接受疫苗注射，並策勵群眾在公眾場所持守帶口罩及保持社交距離等安全措施，盡力減低疫情擴散。
3. 為美國禱告，求神指引在位的政府官員有智慧處理新冠疫情、經濟復甦、國民政見不同造成分裂、種族之間的張力等問題。
4. 感謝神保守李必昌弟兄的母親的安息禮拜及火葬儀式均順利完成，見證了神夠用的恩典。求神安慰必昌、他的父親和家人，讓他們倚靠復活的主面對明天，並求神引導必昌弟兄和他的妹妹扶助父親適應新的生活處境。
5. 為高素華姊妹的丈夫張國強先生禱告，掃描顯示他肺裡有一塊東西，求神指引醫生正確診斷是血塊還是腫瘤，並對症下藥，將它消除，並繼續使用化療藥物使他體內的癌細胞受控制。更求神開張先生的眼睛，信靠已勝過死亡的主耶穌，接受神的救恩，使他全人得醫治。
6. 求神施恩藉鄭牧師將於本月中旬開始為期約六週的放射治療，消除他前列腺內的癌細胞，並減低其他器官所受的傷害。也求神興起眾同工在牧師接受放療期間，分擔教會事工。
7. 為麥牧師在休假期間能得到身體的休息、心靈的復興；接受更多的裝備，領受更新的事奉目標，成為更討神喜悅的工人。

Chinese Bible Church Family

1. May God urge us to respond to His call, recognize His entrustment, and **serve the Lord** according to the gifts of each believer. Pray that God encourages the appropriate members to participate in the **worship ministry training** held this month and devote ourselves to all aspects of church worship. Ministries, each fulfilling their duties, **work together to build church worship in spirit and truth.**
2. Praise the Lord for the improvement of the novel **coronavirus epidemic in Michigan**. Pray for God's grace and mercy upon the infected, and protection over the physical, mental, and spiritual health of frontline medical staff. Pray for the vaccinations of Michigan residents, and for continued efforts to **maintain safety measures like masks and social distancing** in public places to try to reduce the spread of the virus.
3. Pray for the U.S and ask God to guide our government officials to wisely deal with our nation's issues such as Covid epidemic, economic recovery, divisions caused by political differences, and racial tensions.
4. Praise the Lord for **Brother Alex's mother's** funeral and cremation ceremony in witnessing to God's sufficient grace. Pray for God's comfort for **Alex, his father, and family**; that they maintain hope in their mourning, rely on the resurrected Lord to face tomorrow, and for God's guidance for brother Alex and his sister to help his father adapt to a new life situation.
5. Pray for **Sister Suhua Gao's husband, Guoqiang Zhang**. The scan detected something in his lungs. Ask God to guide the doctor to determine whether it is a blood clot or a tumor, and be able to prescribe medicine to eliminate it, and continue to use the chemotherapy medications to control the cancer cells. Pray for God to open the eyes of Mr. Zhang, to place his trust in Lord Jesus who has overcome death and respond to the gospel, so that he will receive the ultimate healing of eternal life.
6. Pray for mercy and comfort over **Pastor Cheng** in starting a six-week radiation treatment in the middle of May to eliminate cancer cells in his **prostate** and for minimal damage to other organs. Also pray that God will raise up all the co-workers to share the ministry of the church while Pastor Cheng is receiving radiotherapy.
7. Pray for **Pastor Bruce's** spiritual rejuvenation during his sabbatical; that he would be more equipped, receive newer mission goals, and become a more effective shepherd and servant under God.
